

6 December 2010

Dear Sir/Madam

**Subject:** Invitation for a Workshop on “**Integrated Domestic Water Management**”

Greetings from Development Alternatives!

Development Alternatives (DA) is a research organization and it has a focus on innovation and policy outreach. DA is engaged in a research study sponsored by India Water Partnership (IWP) - “Knowledge Dialogue on Integrated Domestic Water Management-Preparation of Compendium and Status paper”. The overall objective of this study is to influence National Water Policy which governs the management of water resources in India with a view to incorporate aspects of Integrated Domestic Water Management (IDWM) in the semi arid and arid regions of India.

As the project is almost complete, this workshop aims to share a policy document based on field experiences in the field of IDWM across the country. The workshop is a platform for knowledge sharing on the experiences and analysis with a peer group of experts as well as stakeholders from the arid and semi arid region. This will help in identifying inputs for policy and institutional support leading towards a more inclusive and sustainable policy framework.

You are cordially invited to participate in a one day workshop at **Technology and Action for Rural Advancement, 29, Ghitorni, Mehrauli–Gurgaon Road, New Delhi – 110030** on **23<sup>rd</sup> December 2010 (10.30 am to 4.30 pm)**. Kindly confirm your participation by **13<sup>th</sup> December, 2010** through e-mail to [knagrath@devalt.org](mailto:knagrath@devalt.org) or [asrivastava@devalt.org](mailto:asrivastava@devalt.org) or mobile number 8802994039 (Kriti Nagrath) / 9899968471 (Dr Alka Srivastava).

Hoping to hear from you soon

Thanks and regards

*K. Vijaya Lakshmi*
