Ghuggar Chowki Road
PO Palampur,HP 176061.

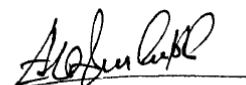

Subject:- Application for information under the Right to Information Act.2005

Reference:- Your letter No. Nil Dated 27.4.2009. And No. Nil dated 20-6-2009

The point wise reply as sought by you under the Right to information Act.2005 is submitted as under please:-

a) Subject matter of the information	Impacts of Hydroelectric Projects.		
b) Period to which the information relates	26th April ,2008 to 25 th April 2009		
c)Description of the information required.			
1)Please provide the names of the drinking water or Irrigation schemes which have been adversely effected due to reduction in volume of water as a result of the construction activities being under taken in various Hydroelectric projects in your area. Please provide the details Hydroelectric Project wise and indicate the approximate percentage of decrease in the flow to the scheme during the lean season.	<u>WATER SUPPLY SCHEMES.</u> The following WSS schemes have been badly effected due to reduction the volume of water as a result of the construction activities of power Hydroelectric project:-		
	Name of Hydroelectric Project	Name of scheme	% of decrease in flow to the scheme
	Chamera Hydroelectric Project stage-III	1) WSS Radi In GP Radi	75%
	-do-	2)WSS Meloh Bhadua in G.P Radi	75%
	-do-	3)WSS Kuden Gowad Padhar in G.P Radi.	75%
	Budhil Hydroelectric Project	1)WSS Chakrota to Lahal	92.25%
	-do-	2) FIS Fanar to Lahal	55.20%

2) Names of drinking water or Irrigation schemes which have been adversely effected due to decline in the quality of water as a result of the construction of Hydroelectric projects in your area.	Nil, The quality of water have not declined.		
3) Please Provide the Names of the Villages that the adversely effected schemes served and the population of these villages (Please provide the details scheme wise).	Name of Project	Name of scheme	
	Chamera Hydroelectric Project stage-III	WSS Radi in G.P Radi	
		Village	Population
		1) Radi Upper	141
		2) Batwara	170
		3) Bhamal	30
		4) Bhamal-II	22
	-do-	WSS MELOH BHADUA	
		1) Meloh	338
		2) Bhadua	176
-do-	WSS KUDEN GOWAD PADHAR		
	Kudden	165	
	2) Padhar	97	
	3) Pandhar	105	
Budhil Hydroelectric Project	WSS CHAKROTA TO LAHAL		
	Chakrota	200	
	Lahal	300	
-do-	FIS Fanar to Lahal		
		Area 7.37 Hect. effected	
4) Please provide a copy of a) Notices that the IPH Department has served upon the project proponent regarding the damages and b) The compensation that has been received from the project proponent till date.	As detailed below in respect of scheme at Sr. No. 1 to 3 1. The notice was served vide this office letter No. IPH – CBA – Chamera- III/ 2008- 11826-29 dated 14-11-2008 to the General Manager Chamera – III NHPC Dharwala Chamba under intimation to Deputy Commissioner Chamba and others (copy enclosed) 2. Reference also made to Deputy Commissioner Chamba vide letter No. EE-IPH – CBA- Chamera- III/ 11968 dated 15-11-2008 with a copy to other (copy enclosed) 3. Reference letter No. IPH – CBA – Estimate committee / 2008- 18665-67 dated 13-3-2009 (copy enclosed) b) Nil compensation received so far.		

 Public Information Officer,
 O/O the Executive Engineer
 IPH Division Chamba.

Information regarding Karchham Wangtoo projects period w.e.f 1 Jan2009 to 31 Dec.2009

Sr No.	Question	Answer																		
1.	Please provide a list of all drinking water sources that have completely dried up as a result of the construction of each of the abovementioned hydroelectric projects.	There are total 167 Nos. water sources in project affected areas under the jurisdiction of various Gram Panchyats. Out of above 146 Nos. are traditional private water sources and 21 Nos. water sources are pertaining to the IPH Department. 43 Nos. water sources have completely dried up during the above period as per list enclosed herewith as Annexure-D1, D2, D3, and D4.																		
2.	Please provide a list of drinking water and irrigation schemes/sources in which the discharge has diminished as a result of the construction of each of the above mentioned Hydro Electrical Projects. Also please mention the approximate reduction in discharge of each sources/ scheme.	There are 67 Nos. traditional water sources in which the discharge has diminished. However, the Gram Panchyat/ source wise list of drinking water and Irrigation schemes/ sources in which the discharge has diminished showing there in the approximate reduction in discharge of each sources/ schemes as result of the construction of abovementioned Hydro Electrical Project are enclosed herewith as Annexure- D1, D2, D3, and D4.																		
3.	Please provide a copy of the bills that have been raised upon the project proponents of these projects for restoration of damages to the sources/ schemes.	<p>No bills have been raised upon the project proponents. However it is informed that IPH Department has framed the estimate for the following WSS/FIS schemes and submitted the same to the Chairman Local Area Deployment Authority Reckong Peo for approval.</p> <table border="1" data-bbox="792 1325 1390 1556"> <thead> <tr> <th>Sr. No.</th> <th>Name of scheme</th> <th>Amount</th> </tr> </thead> <tbody> <tr> <td>1.</td> <td>R/O WSS Urni</td> <td>Rs. 55,45,000/-</td> </tr> <tr> <td>2.</td> <td>Aug. of WSS Cholling</td> <td>Rs. 19,14,000/-</td> </tr> <tr> <td>3.</td> <td>Aug. of FIS Khatogo Cholling.</td> <td>Rs. 24,27,900/-</td> </tr> <tr> <td>4.</td> <td>Prov.
